THE FREEDOM I SEE IN THE SKY

When I gaze at the sky, I see a vast canvas of freedom, unbounded by the constraints of the earth. The sky is a realm where no borders exist, where the blue stretches endlessly, embracing the dreams and aspirations that we, the dwellers of this planet, often tether to the ground. In this expanse, I find a metaphor for the kind of freedom that every soul yearns for—a freedom that is both liberating and limitless.

The clouds, ever-changing and fluid, symbolize the freedom to transform, to drift without the need for a destination. They remind me that life, too, is a journey where the path is often uncertain, but it's the freedom to explore this uncertainty that makes it beautiful. Just as clouds take on different shapes, we too are free to redefine ourselves, to evolve with time and experience.

Birds, soaring high, epitomize the freedom to rise above the mundane, to break free from the shackles of routine. They inspire us to spread our wings and fly towards our dreams, no matter how distant or unreachable they may seem. Their flight is a dance of liberty, a testament to the power of independence and the joy that comes with it.

The sun, in its daily journey across the sky, represents the freedom of purpose. It rises each day, unwavering in its mission to bring light and warmth, reminding us that true freedom is not just about doing as we please, but about fulfilling our purpose with passion and dedication. The sun's journey is a symbol of the freedom to shine in our unique way, to light up the world with our presence and make a difference.

And then there are the stars, tiny specks of light scattered across the night sky, each one a beacon of hope and wonder. They embody the freedom to dream, to reach for the impossible. The stars remind us that even in the darkest of times, there is always a glimmer of hope, a possibility of something greater. They teach us that freedom is not just about the physical, but also about the limitless expanse of the mind and spirit.

The sky, in all its magnificence, is a reminder that freedom is not just a right, but a state of being. It's about embracing the infinite possibilities that life offers, about daring to dream, and having the courage to chase those dreams. The freedom I see in the sky is not just about the absence of constraints, but about the presence of boundless opportunities. It's a call to live fully, to soar high, and to never let anything hold us back.

In a world where we are often confined by rules, expectations, and fears, the sky serves as a powerful reminder of the freedom that is always within our reach. It tells us to look up, to dream big, and to believe that we, too, can be as free as the clouds, as purposeful as the sun, and as hopeful as the stars.

D.A.V- CAMPUS

D.A.V College is not just a place of study but also a place where I am nurtured of my abilities in the field of academics, social and personal. Life of an individual on a D.A.V campus is full of energy and extends to inculcation of skills, and values to be a complete person. This phase of student life is also marked with many clubs, societies, and extra-curricular activities where students are free to venture. ie , Mantrana society, NCC , NSS , Range Rovers ect. May it be the cultural clubs that bring out the magnificence of culture through music, dance, and drama or the academic societies that organize debates on literature, inventions, and many skills, it fits everyone.

There is an amalgamation of students who come from various geographical and cultural backgrounds on the campus although it nourishes individualistic spirit. This bouquet of ideas and thought processes enhances the educational journey, enabling people to feel as part of something. The university organizes events, workshops, and festivals on a routine basis and these activities help the students and the campus keep buzzing with activity and also provides avenues for the students to ventilate their views.

Furthermore, the enhancement of all-round development of students is also manifested by the concern on sporting activity, fitness and health. Students are also inspired towards healthy living by the modern sports infrastructure and a variety of health and wellness activities.

YOUTH VOLUNTEERING : MAKING A DIFFERENCE IN COMMUNITY

In today's fast paced world, screens have taken over our attention, making our personal pursuits often overshadowed our community involvement. We've become so busy that we struggle to consider how to serve the community we belong to. In this context, the importance of volunteering shines as a beacon of hope.

Volunteering serves as a powerful catalyst for personal growth and community improvement, offering unique opportunities to cultivate empathy, build character, and effect significant change. By engaging with diverse groups, volunteers gain a deeper understanding of challenges what other face, which enhances their empathy and encourages them to become advocates for social change. Moreover, volunteering fosters personal development through challenges that require problem- solving, teamwork and leadership. These experiences build resilience and a sense of responsibility, shaping individuals into more compassionate and committed members of society. The impact of volunteering extends beyond the individual; communities thrive when people come together to address pressing needs. Whether through tutoring, food distribution, or environmental clean-ups.

Youth Volunteering holds immense significance for both the communities served and the personal growth of young individuals. Engaging in volunteer activities encourage youth to step out of their comfort zones, fostering flexibility and adaptability as they confront various challenges. These experience not only enhance their problem- solving skills but also inculcate a strong sense of responsibility and civic duty. By participating in voluntary work, young people cultivate active citizenship from an early age, understanding the importance of contribution to their communities and making a positive impact. This combination of personal development and community service creates a foundation of responsible and engaged citizens.

Volunteers play a crucial role in enhancing quality of life and fostering social cohesion. Ultimately, volunteers transforms not only the lives of those who serve but also significantly benefits the communities they engage with, creating a ripple effect that leads to lasting positive impact.

"A captivating close-up of a Brahma Kamal flower, revered for its rare beauty and spiritual significance. The pristine white petals unfold elegantly, revealing the intricate layers and delicate structure at the center. Set against the dark green foliage, the flower seems to glow with a soft luminescence, symbolizing purity and divinity. Known as the "King of Himalayan Flowers," this sacred bloom radiates a sense of calm and serenity, making it a truly mesmerizing sight."

"A serene view of Dhari Devi Temple, nestled on the banks of the Alaknanda River in Uttarakhand. The temple, dedicated to Goddess Dhari Devi, stands majestically on a raised platform amidst the tranquil waters, with the surrounding mountains adding to the spiritual aura. The temple's traditional architecture and vibrant flags fluttering in the breeze reflect its sacred significance. Surrounded by natural beauty and imbued with a sense of peace, the temple is a symbol of deep faith and reverence."

The painting depicts a vibrant bird perched gracefully on a slender tree branch, surrounded by lush green leaves. The bird, with its striking plumage in shades of blue, yellow, and hints of orange, stands out against the deep greens of the foliage. Its delicate features are accentuated by a soft, warm light, highlighting the texture of its feathers. The tree branch is gnarled and textured, suggesting age and strength, while the background hints at a serene landscape, perhaps a softly blurred sky or distant hills. The overall composition evokes a sense of peace and connection to nature, inviting viewers to appreciate the beauty and tranquility of the moment..

ARTIST
SUPRIYA MALLICK, B.S.C 1st Year

The painting features an intricate mandala design, radiating vibrant colors and detailed patterns that draw the eye inward. At its center, the sacred name "Shri Ram" is beautifully inscribed in an elegant script, symbolizing reverence and devotion. The mandala's concentric circles and geometric shapes embody harmony and balance, with motifs inspired by nature, spirituality, and cultural symbols. The color palette includes rich reds, deep blues, and soft golds, evoking a sense of peace and spirituality. Surrounding the central inscription, delicate floral and abstract patterns intertwine, creating a captivating visual journey that invites contemplation and connection to the divine essence of Lord Ram.

ARTIST
ANKITA SAKLANI, B.ED 1ST YEAR

The painting features baby Krishna, a charming figure with a warm smile, cradling a gentle cow in a simple yet captivating scene. Krishna is dressed in bright traditional attire, radiating joy and innocence. The cow stands closely beside him, its calm eyes reflecting a deep bond of love and trust. The background is a soft pink, creating a serene and dreamy atmosphere that enhances the warmth of their connection. This artwork beautifully captures the essence of devotion and the purity of childhood, inviting viewers into a world of tenderness and harmony.

पापा

अब जब भी कलम उठाती हूँ,
आपकी यादों में खो जाती हूँ।
सोचते-सोचते हो जाती हैं
आँखें नम,

कि,
जिंदगी जीना शुरू किया जब,
आप छोड़ गए हाथ मेरा।
इतनी जल्दी क्या थी आपको,
जो बीच डगर में छोड़ गए
साथ मेरा?

पहले मेरा छोटी-छोटी बातों पर
मुँह बनाना,
फिर आपका प्यार से खाना खिलाकर
मुझे मनाना,
अपनी ठिठोलियों से सबको हँसाना,
बहुत याद आता है।

कहते हैं ना,
बाप-बेटी का रिश्ता है सबसे प्यारा,
फिर क्यों छोड़ गए पापा,
ये जग सारा।
आज भी अकेले बैठकर आपको
याद करती हूँ,
हर शाम आपके लौटने का
इंतजार करती हूँ।

पर आपको आता न देखकर
अंत में,
दुनिया की इस रीत को स्वीकार करती हूँ।
अब जब भी कलम उठाती हूँ,
आपकी यादों में खो जाती हूँ।

माँ

मां,
एक अक्षर से बना मां,
खुद में पूरा संसार समेटा है,
अहमियत जानी इसकी जब तुझे पास ना मैंने पाया।
संसार के दुखों को भोगना तो जीवन का लेख है,
परंतु पास तुझे ना पाना, ये कैसी विधि का खेल है।

तेरी मार में भी ममता है,
गुस्से में भी प्यार बसा है,
कि दूर तुझसे भी, पास हमेशा पाती हूँ,
जो हाथ पकड़कर चलना सिखाया,
वहीं हाथ छोड़कर क्यों चले गए।

सुकून जहां भी ढूंढना चाहा,
तेरी ही गोद में पाया,
मां, तूने सब सिखाया,
बस अपने बिना जीना ना सिखाया।

तेरी लोरी में बसी है रातों की सुकून की धारा,
तेरी हंसी में बसा है खुशियों का सारा।
जब भी जीवन ने दिए कांटे,
तूने फूलों सा मुझे संवारा,
तेरे बिना सूना है घर आंगन,
तेरे बिना अधूरी है हर खुशी की सवारी।

अब इसी अधूरेपन को अपनी ताकत बनाना है,
और आसमान की हर ऊंचाइयों को छू जाना है।
तेरी यादों को संजोकर, आगे बढ़ते जाना है,
तेरे सपनों को पूरा करना,
तेरी हर उम्मीद पर खरा उतरकर दिखाना है,
और तेरी ममता का कर्ज,
अपने कर्मों से चुकाना है।

MILES APART

Across the distance through the years,
In heart and Soul you are always here.
Though miles between us may expand,
Our bond remains strong and grand.

Childhood whispers, secrets shared,
Moments of joy, times we cared.
Those memories forever stay,
Lightning up my darkest day.

Let me tell you a glimpse of my day,
A tale so true so don't be a afraid.
Amidst the dust and desert foam,
With the sunrise my duty calls.
In uniform, under the sky so vast,
I carry on with strength steadfast.
I march with comrades, United as one,
We share stories of courage and fear.
Until the day i return to your side,
With a rakhi tied, our bond fortified!

Oh my brother let me paint for you,
A picture of my days in college so true.
With dawn's first light, I rise to greet,
To halls of learning and the pages which are
not yet seen.
Through hours of study, late into the night,
I conquer challenge, and embrace the light!
As I forge ahead on this academic spree,
Know you're with me forever free.

Though distance stretches far and wide,
My eyes are thirsty to see you my beside.
Our love transcends the longest mile,
In every memory, every smile.

COORDINATOR, IQAC

Dear Students and Faculty Members,

I am delighted to introduce the inaugural issue of our college E-newsletter, an initiative by the Internal Quality Assurance Cell (IQAC). This newsletter, entirely designed and managed by our talented students, is a testament to their creativity, dedication, and hard work.

In today's fast-paced world, effective communication is the cornerstone of progress. Our E-newsletter aims to serve as a dynamic platform for sharing important updates, achievements, and insights from various departments and student activities. It is also an opportunity for us to celebrate the diverse talents and accomplishments within our college community.

The collaborative efforts behind this publication reflect our commitment to fostering an environment of innovation and continuous improvement. Through this E-newsletter, we hope to enhance transparency, engagement, and a sense of belonging among all members of our college.

I extend my heartfelt gratitude to the student editorial team for their unwavering enthusiasm and professionalism. Your contribution is invaluable and sets a high standard for future editions.

As we embark on this new journey, I encourage everyone to actively participate by contributing articles, ideas, and feedback. Together, we can make this E-newsletter a vibrant and enriching resource for all.

Warm regards,
Dr Onima Sharma
